FILED

TO: THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF WISCONSIN

2023 FEB 24 P 2:34

MILWAUKEE DIVISION

UNITED STATES OF AMERICA, )

Plaintiff, )

v. )

Case No. 2:22-cv-00621-PP

Mark Peters, )

and Rosemary Peters, )

Respondents. )

1. **Regarding: 'Personal Jurisdiction Challenge'** upon Plaintiff, with Request for Full Written Findings of Fact and Conclusions of Law.
2. Pursuant To: Personal jurisdiction in the federal courts is governed by rule 4 of the Federal Rules of Civil Procedure.
3. NOTICE- This document can not be used to create any form of jurisdiction over the Respondents.
4. NOTICE- Court is to take judicial notice of the evidence of law herein incorporated.
5. NOTICE - Pursuant to - Federal Rules of Civil Procedure > TITLE VI. TRIALS > Rule 52 (1),(3),(4), (5),(6). Respondents now Request Full Written Findings of Fact and Conclusions of Law, from the administrator/judge on all determinations, orders, or judgment, associated with this 'Personal Jurisdiction Challenge'.
6. NOTICE - The court is to take the attached affidavit as evidence before the court.
7. NOTICE - This challenge is to be without oral arguments and request the Plaintiff email what it/they relies upon as evidence of personal jurisdiction for each individual respondent prior to the hearing date as court rules require.

8. **Supporting Evidence of Law:**

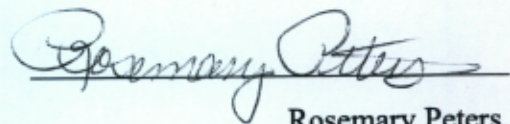

9. "A **plaintiff must plead and prove the jurisdictional facts**, the facts which show that the court has jurisdiction of the subject matter of the action." Paulsen v. Paulsen, 658 N.W.2d 49, Neb.App.,2003
10. "Once jurisdiction is challenged, the party cannot proceed when it clearly appears that **the court lacks jurisdiction, the court has no authority to reach merits**, but rather, should dismiss the action." Melo v. US 505 F2d 1026
11. "**Complaint must charge all that is essential to constitute offense.**" Smith v. State, 21 Neb. 552, 32 N.W. 594 (1887). Personal, and specific territorial, jurisdiction must be charged and evidence when challenged. (What evidence does the moving party (not the

- judge) possess, for the record, that you said, did (contact), or signed (contract) to become a 'person' subject to the US court.)
12. The State of New Jersey has an interest in adjudicating fraudulent misrepresentations occurring within its boundaries. See Carteret Sav. Bank, FA v. Shushan, 954 F.2d 141, 150 (3d Cir. 1992). However, the plaintiff must actually be damaged in the State of New Jersey to warrant personal jurisdiction. See id. at 151.
13. The signed, Mark Peters, and Rosemary Peters, now, challenge the Plaintiff to prove, on the official record, evidence of personal jurisdiction over us, as to what we said, did (contact), or signed (contract) to become a 'person' subject to this captioned U.S. Court. SEE Affidavit below.
14. **Therefore**, upon the Plaintiff failure to evidence personal jurisdiction, as challenged, the court has a duty to dismiss for it's lack of personal jurisdiction which creates a general jurisdiction want (subject matter jurisdiction want). This case must be dismissed, as a matter of law, forthwith.

Respectfully submitted;

Mark Peters,

Rosemary Peters,
